Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Chazak,

I laughed so hard you almost made me drop my Shimusha Rabbah Tefillin!

On a more serious note, I have nothing against Chumros, and practice a few myself. However, much more important than Chumros is to follow the Shulchan Aruch, especially in areas of Halacha that make up the entire foundation of our Yiddishkeit. Once we've done that, any Chumros are icing on the cake.

I did not mean the piece to be serious at all. I *really* laughed the first time I read it. A chumara can easily turn out to be a big kulah, thanks to the

Y"H. ("Vehoser Soton Milfoneinu **Emai'acha'reinu**" ---)

I know you weren't being serious.

Uri,

That post was SPOT ON. The "shkoyach" think is really irritating. The thing about the dogs is so true, so true. I never understood it. Dogs are man's best friend. I seriously saw a girl get out of a van, see a little poodle down the block that couldn't have been more than 6 or 7 pounds, and run back into the van out of fear from that dog.

Hey, maybe people like that don't grow up around animals. I did, so I'm not bothered by them.

What's a GYE member's worst season?

The fall!

But it's also his best season, because he picks himself back up, higher than ever before!
