Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Pa. Police Arrest Amish Man in Buggy for DUI

LANCASTER, Pa. (AP) -- Police in central Pennsylvania arrested an Amish man on drunk driving charges over the weekend after he was found asleep in his moving buggy.

Police said a 22-year-old man was slumped over and asleep in a slow-moving buggy on Sunday night.

An off-duty officer from nearby reported seeing the horse pulling the buggy at a walking pace as it straddled the center line.

Police said a breathalyzer test showed the man's blood-alcohol content was 0.18, more than twice the 0.08 legal limit for drivers.

Chicken Surprise

A couple go for a meal at a Chinese restaurant and order the 'Chicken Surprise'.

The waiter brings the meal, served in a lidded cast iron pot.

Just as the wife is about to serve herself, the lid of the pot rises slightly and she briefly sees two beady little eyes looking around before the lid slams back down.

'Good grief, did you see that?' she asks her husband.. He hasn't, so she asks him to look in the pot. He reaches for it and again the lid rises, and he sees two little eyes looking around before it slams down.

Rather perturbed, he calls the waiter over, explains what is happening, and demands an explanation.

'Please sir,' says the waiter, 'what you order?'

The husband replies, 'Chicken Surprise.'

'Ah! So sorry,' says the waiter, 'I bring you Peeking Duck

- Click on your name "Dov" next to a post of yours.

- Click on "Forum Profile Information" on the left side of the screen under the "Modify Profile" heading. (There you'll find all that stuff, and more!)

If this still is beyond you, you need to start at step 1 again and admit powerlessness.

If its ***still*** too hard, pls consult a therapist and/or do a 12 step program. This forum won't help you any longer ...
