Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

6 Truths of Life

1. You cannot touch all your teeth with your tongue.

2. All fools, after reading #1, will try it.

3. And discover that #1 is a lie.

4. You're smiling now because you're a fool.

5. You soon will forward this to another fool.

6. There's still a stupid smile on your face.

I apologize about this .

But I'm a fool and I needed company

Oh oh :o :o

I was too dumb to even try it! :-\

Or does that make me *smart*? :D

(American 'smart' to you Englanders)

An elderly man in Miami calls his son in New York and says, "I hate to ruin your day, but I have to tell you that your mother and I are divorcing. Forty-five years of misery is enough."

"Pop, what are you talking about?" the son screams.

"We can't stand the sight of each other any longer," the old man says. "We're sick of each other, and I'm sick of talking about this, so you call your sister in Chicago and tell her," and he hangs up.

Frantic, the son calls his sister, who explodes on the phone. "They're getting divorced!," she shouts. "I'll take care of this." She calls her father immediately and screams at the old man, "You are NOT getting divorced! Don't do a single thing until I get there. I'm calling my brother back and we'll both be there tomorrow. Until then, don't do a thing, DO YOU HEAR ME?" and hangs up.

The old man hangs up his phone and turns to his wife. "Okay," he says. "They're coming for Sukkos and paying their own airfares."

Sherlock Holmes and Dr. Watson were going camping. They pitched their tent under the stars and went to sleep. Sometime in the middle of the night Holmes woke Watson up and said: "Watson, look up and tell me, what do you see?"

Watson replied: "I see millions and millions of stars."

Holmes said: "And what do you deduce from that?"

Watson replied: "Well, if there are millions of stars, and if even a few of those have planets around them, it's quite likely there are some planets like earth out there. And if there are a few planets like earth out there, there might also be life."

And Holmes said: "Watson, you fool, it means that somebody stole our tent."

this is not funny but true

A guy in Paris saw a pit bull attacking a toddler.

He killed the pit bull and saved the child's life.

Reporters swarmed the fellow.

"Tell us! What's your name? All Paris will love you! Tomorrow's headline will be: "Parisian Hero Saves Girl from Vicious Dog!"

The guy says, "But I'm not from Paris.

"Reporters: "That's OK. Then the whole of France will love you and

tomorrow's headline will read: 'French Hero Saves Girl from Vicious Dog!'"

The guy says, "I'm not from France, either."

Reporters: "That's OK also. All Europe will love you. Tomorrow's

headlines will shout: 'European Hero Saves Girl from Vicious Dog!'"

The guy says, "I'm not from Europe, either.

"Reporters: "So, where ARE you from?

The guy says, "I'm from Israel.

"Reporters: "OK. Then tomorrow's headlines will proclaim to the world:

'Israeli Kills Girl's Dog!'"
