Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

My wife asked me to post the following Halacha:

If a woman is a Niddah, she is not allowed to touch her husband. However, she **is** allowed to hit him, since this is not "*derech chibah*". But there are *poskim* that are *machmir* and only allow this if it is done **with a stick**.

Do not let your wife see this one!!!!

Now, if that is true, would not that also be true the other way around? And if you really

want to be nasty, you could remind her what the nochosh said, which was not true. (He added an issur that was false.) However you would not do either of these things I am sure. It's good for the more evil among us.

Definition of Taliban.

Our troops in Afghanistan proved they have retained their sense of humor. One of them sent this.

YOU MAY BE TALIBAN IF:

1. You refine heroin for a living, but you have a moral objection to beer.
2. You own a \$3,000 machine gun and \$5,000 rocket launcher, but you can't afford shoes.
- 3.. You have more wives than teeth.
4. You wipe your butt with your bare hand, but consider bacon "unclean".
5. You think vests come in two styles: bullet-proof and suicide.
6. You can't think of anyone you haven't declared Jihad against.
7. You consider television dangerous, But you routinely carry explosives in your clothing.
8. You were amazed to discover that cell phones have uses other than setting off roadside bombs.
9. You have nothing against women and think every man should own at least one.

He's not?
