Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

I knew 18 of them, but who cares. You can see their way of thinking even if you don't know who they are.

I can afford that, I'm at 489 (including this one), but you'll be hunted down and whacked WAAAAAAAAAYYYY before you get to 500 ("Hero" amount) - if you keep flooding all the threads with "Yeah"s "OK"s "Totally"s and "KUTGW"s.

In honor of my conversion from a wussy feminist to a real strong manly man, i present to you:

Top 6 Reasons Guns Are Better Than Women

6. Your gun will stay with you even if you run out of ammo.

5. A gun doesn't take up a lot of closet space.

4. Guns function normally every day of the month.

3. A gun doesn't ask, 'Do these new grips make me look fat?'

2. A gun doesn't care if you go to sleep after you use it.

And the number one reason a gun is favored over a woman

1. YOU CAN BUY A SILENCER FOR A GUN."

Some of these are kinda sick but #1 is just hilarious!

No you didn't, the post was taken down by the moderators, I remember who it was now... I seem to remember he had like 10 things, no? Did you edit yours? If you did and *this* is what was tame, then I certainly understand why the moderators took the other one down :D

Please don't, it's worth the "report to mod" here and there to keep the old you.
