Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Kollel Guy- Thats really good stuff! I like it alot!

Glad to see humor on this site, especially in regards to science(i rack my brain with it almost all day)

I just realized that nobody posted on this thread on January 20th which is a pretty rare thing. Not sure if that's a good thing (cause people just arent depressed) or a bad thing (cause people are just not posting their depressive thoughts).

Here's one that made me laugh - it's from a site that sells stuff, but their product "descriptions" are usually very funny...

I think the problem was that they were not used to Rabbeinu Tam Tefillin!

Guys - this happened in parshas Bo, the mekor of mitzvas t'fillin. My son told me there were a few dozen hits on Wikiperia on "tephilin" the entire month until thids mayseh. In the past three days there were 85,000. Wheh He wants to teach us about t'fillin, He **makes** a way....yow!!

Beautiful thought!

Did you see the powerful Ramban at the very end of Parshas Bo? A well worth while read for everyone!!

And he ends with the words "and the nations of the land shall see that the name of G-d is called upon you" - which chazal say is a reference to Teffilin...

It's because of things like this, that I ask for permission 'to pray' in the BACK of the plane! But I always had the urge to pull-out my tefillin marker and scream "Ahlalalalalaalalala...." while 'depressing' the detonator button.

On second thought, that might be suicide! those flight martials carry guns!

I don't know if this is in the Ruach of this thread, (it was sent to me, and I am not sure whether it is a joke or for real) but I thought that I would post it anyway.

## **HOW TO STAY SAFE IN THE WORLD TODAY**

Avoid riding in automobiles because they are responsible for 20 % of all fatal accidents.

Do not stay at home because 17 percent of all accidents occur in the home. (that's 37 % already)

Avoid walking on streets or sidewalks because 14 percent of all accidents occur to pedestrians.(now that's 51%)

Avoid traveling by air, trains or buses, 16 percent of accidents involve these forms of transportation. (that's 67%)

Of the remaining 33 percent, 32 percent of all deaths occur in hospitals. Above all else avoid hospitals.

You will be pleased to learn that only 0.01 % of all deaths occur in a synagogue, and these are usually related to previous physical disorders.

Therefore, logic tells us that the safest place for you to be at any given point in time is in Synagogue.

Torah Study is even safer. The number of deaths during Torah Study is too small to register.

For safety's sake, go to Shul as often as possible, and attend Torah Study.

It could save your life!
