Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'"

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Ok, since SE is complaining, I'll bring some of the jokes over from the other side of the Mechizta: That's what complainers get - jokes that you will regret reading! (Don't say I didn't warn you):

15 pieces of advice for women regarding men:

1. Don't imagine you can change a man, unless he's in diapers.
2. What do you do when your boyfriend walks out? You shut the door behind him.
3. If they put a man on the moon, they should be able to put them all up there.
4. Never let your man's mind wander. Its too small to be out on it's own.
5. Go for the younger man. You might as well, they never mature anyways.
6. Men are all the same. They just have different faces so you can tell them apart.
7. The definition of a bachelor is a man who has missed the opportunity to make some woman miserable.
8. Women don't make fools of men. Most of them are do-it-yourself types.
9. The best way to get a man to do something is to say he's too old for it.
10. Love is blind, but marriage is a real eye-opener.
11. If you want a committed man, look in a mental hospital.
12. The children of Israel wandered around the desert for 40 years. Even in Biblical times, men wouldn't ask for directions.
13. If he asks what kind of books you're interested in, tell him checkbooks.
14. Remeber, a sense of humor does not mean that you tell him jokes. It means that you laugh at him.
15. Sadly, all men are created equal.

The Real Definition of Words When Used By Women

1. Fine - I am right. This argument is over. You need to shut up.
2. That's Okay - One of the most dangerous statements a women can make to a man. "That's okay" means she wants to think hard and long before deciding when and how you'll pay for your mistake.
3. Nothing - The calm before the storm. This means "Something" and you better be on your toes. Note: Arguments that start with "Nothing" usually end with "Fine" (See #1).
4. Five Minutes - If getting dressed, this means half an hour. (Don't be mad about this. It's the same definition for you when it's your turn to do some chores around the house.)
5. Thanks - A woman is thanking you. Do not question this or faint. Just say, "You're welcome," and let it go.
6. Loud Sigh - Not actually a word but rather a non-verbal statement often misunderstood by men. It means she thinks you are an idiot and wonders why she is standing here wasting her time arguing with you about "Nothing." (See #3)
7. Go Ahead - This is a dare, not permission. (Don't Do It!)
8. Don't worry about it, I got it - The second most dangerous statement a woman can make. It means that a woman has asked a man several times to do something and is now doing it herself. (This will result in you asking at a later date, "What's wrong?" For the woman's response, see #3.)

GONNA BE A BEAR

In this life Im a woman. In my next life, Id like to come back as a bear.

When you're a bear, you get to hibernate. You do nothing but sleep for 6 months.

I could deal with that.

Before you hibernate, you're supposed to eat yourself stupid. I could deal with that too.

When you're a girl bear, you get to birth your babies (who are the size of walnuts) while you're sleeping, and wake up to partially grown, cute, cuddly cubs. I could definitely deal with that.

If you're Mama bear, everyone knows you mean business. You swat anyone who bothers your cubs. If your cubs get out of line, you swat them too. I could deal with that.

If youre a bear, your mate EXPECTS you to wake up growling. He EXPECTS that you will have hairy legs and excess body fat.

Yup; gonna be a bear!

If Men Got Pregnant:

Maternity leave would last two years, with full pay.

There would be a cure for stretch marks.

Natural childbirth would become obsolete.

Morning sickness would rank as the nation's #1 health problem.

All methods of birth control would be 100% effective.

All children would be kept in the hospital until toilet trained.

Men would be eager to talk about commitment.

They wouldn't think twins were so cute.

Sons would have to be home from dates by 10:00 pm.

Briefcases would be used as diaper bags.

Paternity suits would be a fashion line of clothes.

They'd stay in bed during the entire pregnancy.

Restaurants would include ice cream and pickles as main entrees.

Women would rule the world.

These are from a book called 'Disorder in the American Courts' and are things people actually said in court, word for word, taken down and now published by court reporters that had the torment of staying calm while these exchanges were actually taking place.

ATTORNEY: This myasthenia gravis, does it affect your memory at all?

WITNESS: Yes.

ATTORNEY: And in what ways does it affect your memory?

WITNESS: I forget.

ATTORNEY: You forget? Can you give us an example of something you forgot?

ATTORNEY: Now doctor, isn't it true that when a person dies in his sleep, he doesn't know about it until the next morning?

WITNESS: Did you actually pass the bar exam?

ATTORNEY: The youngest son, the twenty-year-old, how old is he?

WITNESS: He's twenty, much like your IQ

ATTORNEY: Were you present when your picture was taken?

WITNESS: Are you shitting me?

ATTORNEY: So the date of conception (of the baby) was August 8th?

WITNESS: Yes.

ATTORNEY: And what were you doing at that time?

WITNESS: Getting laid

ATTORNEY: She had three children, right?

WITNESS: Yes.

ATTORNEY: How many were boys?

WITNESS: None.

ATTORNEY: Were there any girls?

WITNESS : Your Honor, I think I need a different attorney. Can I get a new attorney?

ATTORNEY: How was your first marriage terminated?

WITNESS: By death.

ATTORNEY: And by whose death was it terminated?

WITNESS: Take a guess

ATTORNEY: Can you describe the individual?

WITNESS: He was about medium height and had a beard.

ATTORNEY: Was this a male or a female?

WITNESS: Unless the Circus was in town I'm going with male

ATTORNEY: Is your appearance here this morning pursuant to a deposition notice which I sent to your attorney?

WITNESS: No, this is how I dress when I go to work.

ATTORNEY: Doctor, how many of your autopsies have you performed on dead people?

WITNESS: All of them. The live ones put up too much of a fight.

ATTORNEY: ALL your responses MUST be oral, OK? What school did you go to?

WITNESS: Oral.

ATTORNEY: Do you recall the time that you examined the body?

WITNESS: The autopsy started around 8:30 pm.

ATTORNEY: And Mr. Denton was dead at the time?

WITNESS: If not, he was by the time I finished

ATTORNEY: Are you qualified to give a urine sample?

WITNESS: Are you qualified to ask that question?

And the best for last:

ATTORNEY: Doctor, before you performed the autopsy, did you check for a pulse?

WITNESS: No.

ATTORNEY: Did you check for blood pressure?

WITNESS: No.

ATTORNEY: Did you check for breathing?

WITNESS: No.

ATTORNEY: So, then it is possible that the patient was alive when you began the autopsy?

WITNESS: No.

ATTORNEY: How can you be so sure, Doctor?

WITNESS: Because his brain was sitting on my desk in a jar.

ATTORNEY: I see, but could the patient have still been alive, nevertheless?

WITNESS: Yes, it is possible that he could have been alive and practicing law

Like Cats And Dogs

What is a Cat?

1. Cats do what they want.
2. They rarely listen to you.
3. They're totally unpredictable.
4. They whine when they are not happy.
5. When you want to play, they want to be alone.
6. When you want to be alone, they want to play.
7. They expect you to cater to their every whim.
8. They're moody.
9. They leave hair everywhere.
10. They drive you nuts and cost an arm and a leg.

Conclusion: Cats are tiny women in little fur coats.

What is a Dog?

1. Dogs lie around all day, sprawled on the most comfortable piece of furniture in the house.
2. They can hear a package of food opening half a block away, but don't hear you when you're in the same room.
3. They can look dumb and lovable all at the same time.
4. They growl when they are not happy.

- 5. When you want to play, they want to play.
- 6. When you want to be alone, they want to play.
- 7. They are great at begging.
- 8. They will love you forever if you rub their tummies.
- 9. They leave their toys everywhere.
- 10. They do disgusting things with their mouths and then try to give you a kiss.

Conclusion: Dogs are men in little fur coats.

Woot.com is always an amusing place to check out - their blurb today isn't all that funny (in my opinion, at least), but their video of field-testing their flashlight made me laugh - maybe it'll do the same for you?

Just go to "woot.com," and scroll down to about halfway down the page - you'll see the video, just click to play!
