Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

For all who work with rude customers, shame WE can not actually do this. An award should go to the Virgin Airlines desk attendant in Sydney some months ago for being smart and funny, while making her point when confronted with a passenger who probably deserved to fly as cargo.

A crowded Virgin flight was canceled after Virgin's 767's had been withdrawn from service. A single attendant was re-booking a long line of inconvenient travelers.

Suddenly an angry passenger pushed his way to the desk. He slapped his ticket down on the counter and said, "I HAVE to be on this flight", and it HAS to be FIRST CLASS.

The attendant replied, "I am sorry, sir. I will be happy to try to help you, but I have got to help these people first", and I am sure we will be able to work something out.

The passenger was unimpressed. He asked loudly, so that the passengers behind him could hear.

"DO YOU HAVE ANY IDEA WHO I AM."

Without hesitating, the attendant smiled and grabbed her public address microphone: "May I have your attention please, may I have your attention please," she began and her voice heard clearly throughout the terminal.

We have a passenger here at Desk 14 WHO DOES NOT KNOW WHO HE IS." If anyone can help him find his identity, please come to Desk 14.

With the folks behind him in line laughing hysterically, the man glared at the Virgin attendant.

Gritted his teeth and said, "Go to Hell!!!" Without flinching, she smiled and said, (I love this part).

"I am sorry, sir, but you will have to get in line for that too."

any fool proof way to overcome depression

If it's clinical depression, professional help and/or medication may be necessary. There are dietary supplements that might be helpful as well.

Otherwise, having the right attitude can make a big difference. Remember, those who are starving are too worried where their next meal will come from to be depressed. Those whose lives are in danger are too busy dodging bullets to be depressed. Those who put in 12-hour days of hard labor are either too busy or too tired to be depressed. If you're not in any of these situations, does it make sense to be grateful to HKB"H or to be depressed?

1 in 5 people suffer from depression (I think... or was it 1 in 206? I forget)...

Medication can be very helpful. I would see a psychiatrist if this is persistent.

Funny. "atah yodati ki lazy-boy atoh"...

But seriously, I was mekabel from a program mentor of mine that laziness is really just

avoidance. I use that and ask myself: "what am I actually avoiding her?", and go on on from there...be"H.

Hatzlocha.
