Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Since we're into speeding tickets---

A man was speeding down the highway, feeling secure in a gaggle of cars all traveling at the same speed. However, as they passed a speed trap, he got nailed with an infrared speed detector and was pulled over.

The officer handed him the citation, received his signature and was about to walk away when the man asked, "Officer, I know I was speeding, but I don't think it's fair. There were plenty of other cars around me going just as fast, so why did I get the ticket?"

"Ever go fishing?" the policeman suddenly asked the man. "Ummm, yeah... so," the startled man replied.

The officer grinned and added, "Ever catch ALL the fish?"

* * * * *

A middle aged woman was driving through a school zone when a policeman pulled her over for speeding. As he was giving her the ticket, she said, "How come I always get a ticket and everyone else gets a warning? Is it my face?" "No, ma'am," explained the officer, "it's your foot."

* * * * *

"What am I supposed to do with this?" grumbled a motorist as the policeman handed him a speeding ticket. "Keep it," the cop said, "when you collect four of them you get a bicycle."

There was a person who was speeding doing about 75 on a highway. A cop ran after him. The driver of the car just picked up speed and ran into a service station straight to the mens room. The officer followed and waited for him outside. After coming out he asked why where you speeding so quickly. He tells him don't you see. I had to run to the restroom. He hits back but you saw me chasing why didn't you pull to the side? So he answers officer i thought you need the restroom too!

the scariest demographic for me was never the young black male..it was always the old white female...besides being ridiculously litigious, heres another reason why:

Two elderly women were out driving in a large car -- both could barely see over the dashboard.

As they were cruising along they came to an intersection.

The stoplight was red but they just went on through.

The woman in the passenger seat thought to herself:

"I must be losing it. I could have sworn we just went through a red light."

After a few more minutes they came to another intersection and the light was red again and again they went right through.

This time the woman in the passenger seat was almost sure that the light had been red but was really concerned that she was losing it.

She was getting nervous and decided to pay very close attention to the road and the next intersection to see what was going on.

At the next intersection, sure enough, the light was definitely red and they went right through and she turned to the other woman and said:

"Mildred! Did you know we just ran through three red lights in a row! You could have killed us!"

Mildred turned to her and said: "Oh, am I driving?"

lawyers....ewwwww....where?

speaking of ewww, is it blasphemous to find humor in the torah?

when i was listening to the parasha this past shabbat, it occurred to me how funny chava's curse was: "ve'el ishech teshukateach"

Gd is lookign down trying to find an awful punishment to match losing your legs for all of eternity and working the cursed ground for eternity....

***Gd looking down at a young Chava.."and for you, from now and for all of eternity, you will like boys...yes, those, hairy, smelly, stupid, boys...you will like them"...Chava:
"ewwwwwwww...anything but boys...please...not that..."***

Truth be told that question has bothered me for a long time. "ve'el ishech teshukateach" should mean that women should be chasing men, but world experience and a billion dollar male oriented p**n industry says otherwise.

Any good answers, appreciated.
