Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

A boy, Moshe X. (name changed to protect the innocent) was going out while he was in the yeshiva dormitory. The girl's father thought that it was very important that the boy his daughter was dating should have a good shachris attendance. So he decided to call the pay phone in the yeshiva that the boy was staying and ask whoever picked up how the boys attendance was.

Unfortunately Moshe's Shachris attendance was very bad, but as luck would have it the person who picked up the phone was none other than Moshe. This was the conversation that ensued:

Father: Hello, I was wondering if you know Moshe X? I have some shidduch questions to ask.

Moshe: Moshe, sure I know him really well. I would dare say that I know him as well as I know myself.

Father: Oh good, I really only have one question. How is his shachris attendance does he come on time?

Moshe: Mr. Z., to tell you the truth i don't get up on time all that much - on the average day I am late to shachris. But I can

definitely tell you this - whenever I'm there he's there!

P.S. The shidduch went forward and they got married !!

Thought 1

When we are born, our mothers get the compliments and the flowers.

When we are married, our brides get the presents and the publicity.

When we die, our widows get the life insurance.

What do women want to be liberated from?

Thought 2

The average man's life consists of:

Twenty years of having his mother ask him where he is going,

Forty years of having his wife ask the same question;

and at the end, the mourners wondering too.

Thought 3

A Man was walking down a street when he heard a voice from behind, "If you take one more step, a brick will fall down on your head and kill you." The man stopped and a big brick fell right in front of him. The man was astonished.

He went on, and after a while he was going to cross the road. Once again the voice shouted, "Stop! Stand still! If you take one more step a car will run over you, and you will die." The man did as he was instructed, just as a car came careening around the corner, barely missing him.

The man asked. "Who are you?" "I am your guardian angel," the voice answered. "Oh, yeah?" the man asked "And where were you when I got married?"

Green Eggs and Brisket

(With apologies to Dr. Seuss)

Sam!

Will you never see?

They are not KOSHER,

So let me be!

I will not eat green eggs and ham.

I will not eat them, Sam-I-am.

But I'll eat green eggs with a biscuit.

Or I will try them with some brisket.

I'll eat green eggs in a box.

If you serve them with some lox.

And those green eggs are worth a try
Scrambled up inside some matzoh brie!

And in a boat upon the river,
I'll eat green eggs with chopped liver!

So if you're a Jewish Dr. Seuss fan,
But troubled by green eggs and ham,
Let your friends in on the scoop:
Green eggs taste best with chicken soup!

I eat green eggs when I am bored
And wash them down with some Woodford
Eggs, I eat them fried and green
Topped with a black jelly bean!

I couldn't resist.

When I saw the direction this thread was taking, I felt it my sacred duty to bring over my own GYE version of Dr. Seuss's classic, imported straight from GYE's very own Coffee Room!!

GYE's a real good place,
To stop the chase, and slow your pace,
So show your face, and make a case,
just find solace, in this great place.

When things get rough
I hope you enjoy!
And they seem tough

Come chill with us

Don't make a fuss

Or scream or cuss

Come truck, don't bus.

And you may trip or clip or snip,
Or take a sip, but please don't slip,

Cause GYE's for you and me,

And for your friend or 2 or 3,

If your mind be,

In fantasy,

Go scratch your knee,

Or plant a tree,

Or sting a bee,

Or scratch a flea

But fall? Who me?

No!! No Siree!!

Just smile with glee

and say with me:

There'll be no lusting in my house,

There'll be no lusting with a mouse, (ugh!!)

Not on a box,

Or with a fox,

or in your sox,

Or on your rocks (for Dov ii)

I will not do it in my car

Or on my bike,

Or at the bar,

Or flying on a shooting star

Or near or far,

Or where you are!!!"

Lusting is TREIF

Like eggs and ham,

I just won't do it

YID I AM!!!!

Hatzlocha!!!

Rebbe Dr. Yid Seuss

One afternoon a lawyer was riding in his limousine when he saw two men along the roadside eating grass.

Disturbed, he ordered his driver to stop and he got out to investigate...

He asked one man, "Why are you eating grass?"

"We don't have any money for food," the poor man replied. "We have to eat grass."

"Well, then, you can come with me to my house and I'll feed you," the lawyer said.

"But sir, I have a wife and two children with me. They are over there, under that tree."

"Bring them along," the lawyer replied.

Turning to the other poor man he stated, "You come with us, also."

The second man, in a pitiful voice, then said, "But sir, I also have a wife and SIX children with me!"

"Bring them all, as well," the lawyer answered..

They all entered the car, which was no easy task, even for a car as large as the limousine was.

Once underway, one of the poor fellows turned to the lawyer and said, "Sir, you are too kind."

"Thank you for taking all of us with you."

The lawyer replied, "Glad to do it."

"You'll really love my place."

"The grass is almost a foot high .
