Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

REPLACEMENT WINDOWS

Last year I replaced all the windows in my house with that expensive double-pane energy efficient kind, and today, I got a call from the

contractor who installed them. He was complaining that the work had been completed a whole year ago and I still hadn't paid for them.

Hellloooo just because I'm blonde doesn't mean that I am automatically stupid. So, I told him just what his fast talking sales

guy had told me last year, that in ONE YEAR these windows would pay for themselves! Hellooooo? It's been a year! I told him.

There was only silence at the other end of the line, so I finally just hung up. He never called back. I bet he felt like an idiot.

There was this man that would come in every day to the bar and ask for three cups of beer. the bar tender was very curious, so he asks him whats going on, why allways three cups ? so the guy explains him that they were three friends that used to have agood time, but they left town so he continues the freindship in simbolic way. one day he walks in and only asks for two cups, the bartender asks nervously what happened ? did you have a falling out with one of your friends, the guy answers not at all, its just that i quit drinking so were down to two.

I now have yeshivanet. Before this, I had hotmail, and I discovered something really cool. I went to the settings in my hotmail account and set my country as Azerbaigan, or something like that. All of the advertisements and potentially triggering stuff seems to be specifically tailored to your location. Since there are no advertisers who care to reach 3rd world markets, your screen remains clean and free!! I'm assuming this would work with those other sites as well.

Try it!!

Hatzlocha,

Reb Yid

I think Reb Yid's post is better than some of the jokes on this thread. It brought a smile to my face, and that's been a rare event these last few days.
