

GYE Model

Posted by moish u.k. - 14 Aug 2013 16:45

In light of the spectacular success GYE has had in saving billions of people from self destruction, it has been decided to roll out this model to other great causes, provided that they share certain similiarities with GYE.

Here are some suggestions:

Guard Your Ears Chofets Chaim Heritage Foundation

Guard Your Einiklech Protecting our youth from abuse

Guard Your Elephants Wildlife fund

TZ writes "der basheffer luvt mich" (there's a GYE minhag vasikin to quote oneself) but Lizhensk's status on gmail is "der eibershter luvt mich too" so I guess we can say dell stands for der eibershter luvt lizhensk

(Despite the fact that he's no replacement for bardichev)
