OMG!

I didn't know what to expect from arms race!

Who is dat puny little guy stickin his head outta tank?

anyway, you are right!

I will go slink into my corner, back away, hide from sight, maybe even take out my phone and browse who knows what?

DA HELL, I WOULD!

I'm gonna fight with what I have or don't have, and since anyway it aint good enough (see step 1 b'arichus) God will help me anyway.

But Avrom (the other one), I have a feeling we will both be aimin in da same direction, so on da count of 3.....FIRE!!!!!!!

First of all - thats me sticking out the head of the tank.. Yes -the headphones!!! How did you guess - IM LISTENING TO THE 12 step TELECONFERENCE..

Im also in charge of inna's blow-up method.

I however lost the football - so nuclear reset is not available at the moment..

)

And cords - maybe if you team up with Zemmy - some pro balloon rights activists will come and save you. Until then **Keep On Arming..**

And of course - fighting we will fight, the same enemy, together, until our very last breath, my dear comrade!

KOMT KOA is the russia way

Perhaps they are like the Briskers last week; first they said "Zeicher," and then by maftir, they said "Zecher."

which actually brings to mind, and perhaps this should go on a different thread, G>Y>E> is for **GUARD YOUR (te)EEEEZZZZZZZZZZZZZZ in Shema**, for otherwise, you will not be yotzei, or you will not get a proper shidduch.
