

Darkei Emori

Posted by ZemirosShabbos - 12 Sep 2013 19:08

at the behest of Mr.Emunah, who asked me to share this:

sushi is ????

(fyi, i do not agree, sushi is just unprocessed gefilte fish)

Not at Zemmy's behest (don't you have to be a lawyer to use words like that?) I will take the liberty of informing the general public that when I asked Zemmy what bracha is to be said over sushi he answered: A quiet one...

Sarcasm is darkei emori

And i am not even joking

Imho it is worth 5600 posts to get to this and maybe even live with this

Not being sarcastic when i say that

Why is everyone picking on me right before Yom Kippur?

Do you want me to start with

Candles are darkei emori?

~~St. Mary~~ Shimshon Hagibor statues are darchei Emori?

Actually, Pritzus is Darkei Prizi.
