Posted by belzeruv - 14 Nov 2013 02:12

HELLO! All of you!

We are announcing today the grand opening of the "GYE CAFETERIA"!

As it name, it's going to be Bezras Hshem and with YOUR help,a great COFFEE ROOM for all the members here.

Purpose No. #1: Evrytime you come on, just pop in to say HELLO! Say GOOD MORNING! Let's make it for the PUBLICK CHAT, as the old original KRETCHME'S and taverns... here we should always share together short notices, greetings, practice, chizuk and advice.

No. #2: and that's the main.

We are all here for the same reason. We all already know that the only way out, is by taking ONE DAY AT A TIME.

So EVERY DAY as you leave you'r electoronic device, pop in to say GOOD NIGHT! TODAY I WAS CLEAN! Or even GOOD NIGHT! Tomorrow i start again...

A special thank you for helping me building up this forum to be the CAFETERIA we were all waiting for. A place to just pop in and let the friends be happy for your success, inspired from it, and admire you for it... 1 Day at a time.

Now dear friends; let's celebrate! throw in as many "Thank you's" as you can, for every sober "1DAY" from every friend...

Come on kids, make a lechaim!
