

TRIGGERS!!!!

Posted by Pidaini - 19 Nov 2013 02:11

Ok, this was TZ's idea, so any problems contact him!!

We were discussing how different people have different triggers.

oh, sorry, triggers meaning things that get them to post.

Like if you mention black jellybeans, then you're sure to have the Monster Bus on your tail.

If you don't use your real first name, you'll be hearing from Dov.

Try mentioning anything about your wife somewhere other than the BB forum and you'll have the zugger bombarding your thread.

more triggering tips to come

If you sign up to join an accountability group and encourage four other people to do the same, that's a sure as shootin' (pun intended) way to trigger Reb Guard to set up a board for their group number!

Yes, but a trigger guard is a guard for your trigger. We are looking for a trigger for our Guard.
