

TRIGGERS!!!!

Posted by Pidaini - 19 Nov 2013 02:11

Ok, this was TZ's idea, so any problems contact him!!

We were discussing how different people have different triggers.

oh, sorry, triggers meaning things that get them to post.

Like if you mention black jellybeans, then you're sure to have the Monster Bus on your tail.

If you don't use your real first name, you'll be hearing from Dov.

Try mentioning anything about your wife somewhere other than the BB forum and you'll have the zucker bombing your thread.

more triggering tips to come

If giraffes hate muffins, how do they feel about cupcakes?

And really, what is the difference between a cupcake and a muffin?
