

TRIGGERS!!!!

Posted by Pidaini - 19 Nov 2013 02:11

Ok, this was TZ's idea, so any problems contact him!!

We were discussing how different people have different triggers.

oh, sorry, triggers meaning things that get them to post.

Like if you mention black jellybeans, then you're sure to have the Monster Bus on your tail.

If you don't use your real first name, you'll be hearing from Dov.

Try mentioning anything about your wife somewhere other than the BB forum and you'll have the zigger bombarding your thread.

more triggering tips to come

Yeah, but I'd get kicked off this site if I tried to find a logo to put in the last box, if I did it your way.

Don't forget to get your jelly changed every 3 months or 3000 calories, whichever comes first.
