FREE HARDCORE CORNOGRAPHY

_____

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler][/spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~*corndnoy*~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ?? ?????? ????? ????? ????? ???]

Hey PA I am honored to have been mentioned in your 200th post.

Irregardless of the screw, its a prestigious feeling.

Thank you

Y

i only roast the ones i love (imagine goofy smiley face here)

so do you love chicken? oooh, that was painful.

i love to eat all birds

You have ruffled the wings of some bird.

The following user(s) said Screw You: Batman

i meant toucans. (are they kosher?)

a bat is not a bird, but a robin on the other hand...

yes yes, i know:

btw, how awesome would it be if this became a meme on GYE.

(okay it is not letting me delete this post. please note this message is now moot, as marx has stolen, no, as a marxist, has reallocated the picture that i posted in my previous post to his own post. therefore, this post is useless. please refer to this link where i allege that marx is a plagiarist:

As a competitor I should just keep quiet cos then my reputation is cool, but as an aspie that always say things how they are, I can't, and I gotta notify you in case you didn't notice - your cob web links need a broom

but facts are facts. either come up with your own clever stuff, or stick to serious threads like mom and his chevra do. just because froot loops gives you credit for my hard work doesnt mean you can march right in and take whatever you please.

omg omg omg omg ..... i got a better way of saying it:

??"?

GENTLEMEN, i would like to break the number one rule that i myself set up upon starting this thread, and post something here that is serious.

WE like to poke fun at each other sometimes, but we know that we are each other's best friends. we rely on each other for support and encouragement. since i started at GYE, hours and hours of time that i would otherwise have spent watching movies (halevai), i have spent doing better things, including chatting and posting on the forum. this resulted in me getting lots of chizuk, and maybe even giving some to others. my addiction to the rush of various unhealthy outlets has been (at least partially) replaced by the interactive just_having_fun threads, and by just staying out of isolation.

SO my purpose with this post is twofold. firstly, i would like to extend a general thank you to the community at large for your support, perhaps including a thank you in advance for your continued support and involvement in my threads.

BUT my main purpose here tonight is to take my hat off to a very special friend and brother who has just posted today 90 days. reb mark, all of our joking aside, you have a lot of kishron, you have a lot of determination, and you have come a long way. your sharfkeit kept me on my toes since you got here a couple months ago, and i truly appreciate all that you have done to be mechazek and interact with me and the rest of the oylam. you bring a general simcha and positive atmosphere to the forum, that i am sure everyone has noticed.

THEREFORE, for you, reb mark, it is truly worth it to break my number one rule, and post something worthy of the serious threads. you are amazing. congratulations, and keep on truckin' brother!

PA - Did you notice that I restrained from mentioning any one of the greats in my personal share here today, besides for yourself truly, it was bedavka

In my opinion if the database of forums gets maxxed and we can only keep one - it's gotta be - you know what

Now

In response to your genuine kindhearted words, I immediately

clicked to add 10 Karmas for you, I did not forge this image
