

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??

This is for International Lipstick Day whenever it's celebrated

According to a radio report, a middle school in Oregon was faced with a unique problem. A number of girls were applying their lipstick then they would press their lips to the mirror leaving dozens of little lip prints. This was obviously causing problems for the custodial staff so the principal called a meeting with several girls from each class to discuss the problem. The meeting was held in one of the ladies bathrooms. The principal explained that all these lip prints were causing a major problem for the custodial staff who had to clean the mirrors every night. To demonstrate how difficult it was to clean the mirrors, she asked a custodian to clean one of the mirrors as the girls watched. He took out a long-handled squeegee went to the nearest toilet dipped it then placed it on the mirror and began to clean it...

Peloni I'm putting this here, cos I can really picture the following conversation happening if you get pulled over (not relevant to me cos I ~~almost~~ never get caught)

Subject: Getting out of a speeding ticket

A police officer pulls a guy over for speeding and
has the following exchange:

Officer:

May I see your driver's license?

Driver:

I don't have one. I had it suspended when
I got my 5th DUI.

Officer:

May I see the owner's card for this vehicle?

Driver:

It's not my car. I stole it.

Officer:

The car is stolen?

Driver:

That's right. But come to think of it, I think I saw
the owner's card in the glove box when I was putting
my gun in there.

Officer:

There's a gun in the glove box?

Driver:

Yes sir. That's where I put it after I shot and killed the
woman who owns this car and stuffed her in the trunk.

Officer:

There's a BODY in the TRUNK?!?!?

Driver:

Yes, sir.

Hearing this, the officer immediately called his
captain. The car was quickly surrounded by police,
and the captain approached the driver to handle the

tense situation.

Captain:

Sir, can I see your license?

Driver:

Sure. Here it is.

It was valid.

Captain:

Whose car is this?

Driver:

It's mine, officer. Here's the owner' card.

The driver owned the car.

Captain:

Could you slowly open your glove box so I can see if
there's a gun in it?

Driver:

Yes, sir, but there's no gun in it.

Sure enough, there was nothing in the glove box.

Captain:

Would you mind opening your trunk? I was told you
said there's a body in it.

Driver:

No problem.

Trunk is opened; no body.

Captain:

I don't understand it. The officer who stopped you
said you told him you didn't have a license, stole the car,
had a gun in the glovebox, and That there was a dead body in
the trunk.

Driver:

Yeah, I'll bet the lying s.o.b. told you I was speeding, too.

The Donkey

A city boy, Kenny, moved to the country and bought a donkey from
an old farmer for \$100.00. The farmer agreed to deliver the donkey
the next day.

The next day the farmer drove up and said,

"Sorry son, but I have some bad news, the donkey died."

Kenny replied, "Well then, just give me my money back."

The farmer said, "Can't do that. I went and spent it already."

Kenny said, "OK then, just unload the donkey."

The farmer asked, "What ya gonna do with him?"

Kenny said, "I'm going to raffle him off."

Farmer: "You can't raffle off a dead donkey!"

Kenny: "Sure I can. Watch me. I just won't tell anybody he's dead."

A month later the farmer met up with Kenny and asked,

"What happened with that dead donkey?"

Kenny: "I raffled him off. I sold 500 tickets at two dollars a piece and made a profit of \$898.00."

Farmer: "Didn't anyone complain?"

Kenny: "Just the guy who won. So I gave him his two dollars back."

Kenny grew up and eventually became the chairman of Enron.
