

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??

i borrowed my friend's rambam today, but i realized that as long as i did not have my own, it would never really be Maimonides.

I just chapped the humor in this. It took me 2 months.

Well with a fish on my head what you gonna expect?

By the way I love fishing. As I drive along with you by my side I'm thinking

"What's it gonna be? Jewish gefilte, or Chinese Sushi?"

So if you know what's good for you

"Return again, return again" la di da

i know who you are. youre a recovering sex addict like me. newsflash. in case you havent realized, this is a forum for sex addicts. **we are fighting day by day because we have difficulty keeping our hands off our own body parts, and our eyes off other peoples'**. therefore, the bigger gavra you are in the "real world", not necessarily is it the biggest kavod for you to be here blogging with the likes of me. but we do what we have to do... day 159 b"h and day 80 b"h for you.

ps - this is not absolute ... i said "not necessarily". therefore, my dear opposition party, (mom, etc.) please don't darshan to me for the contents of this post.

pps - too serious?

ppps - nu? abbas?

pppps - if i may say so myself, that is a great line about the hands and the eyes (the one i bolded).

The ????? ????? of peloni almoni is the same as Palestinian Authority.

As they say, a joke is like a frog.

Once you dissect it, it's dead.

very simple. look in the bottom half of the pic. the left fish no, the right fish yes.

but i meant a real truck... not a school bus on steroids ... i'm just sayin'

ps - (it was supposed to be a schtuch to a certain buck-toothed truck who thinks it can compare to cordnoys truck zt"l)
