

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~ cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??
?????? ????? ????? ????? ???]

If one asks such Sheila's from their Local Orthodox Rabbis, why is it limited to the 9 days?

One needs a heter for the entire year, and I suggest you tell the Rabbi why you need it...

Bring it on! Laughter is that rare medicine that always alleviates heavy doses of guilt, moralizing and taboo drudgery. Excellent!

The judges have ruled (me, myself and Eye) - that joke does not really meet the minimum requirements to be considered a joke and is inappropriate for after the 9 days

Your timing was perfect!

Yudi,

Since it is the 3 weeks and we want to foster Ahavat Chinam, the Judges are back to the drawing board to reconsider your case of the Me'at im besimcha

The 3 weeks are over

The 9 days are over

Tisha beav is over

PA It's time to defrostfrom hibernation mode

One second...

Yesod, is PA the guy you met in shul, and you go to meetings together??
