

## FREE HARDCORE CORNOGRAPHY

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

## HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

**Warning: Spoiler!**

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ?????? seriously. ?' ??  
?????? ?????? ?????? ?????? ???]

This story is amazing:

GGye shmutz!?

Did I miss part of the conversation?

Isn't that an oxymoron?

It's was a simple spelling glitch

In other news - Once upon a time a guy comes to visit his friend who started learning Yiddish. His friend invites him to take a seat and says "nem a zetz"?

Markz, Did you mean Ver Tzisetzed?!

A friend of mine told me he asked his Mashgiach for a Ride, being that the Mashgiach wasn't fluent in Yiddish. He replied, ?????????? ??? ??? ????? ????? ?????? ??? ????? ???

PA - Did you notice that I restrained from mentioning any one of the greats in my personal share [here](#) today, besides for yourself truly, it was bedavka

In my opinion if the database of forums gets maxxed and we can only keep one - it's gotta be - you know what

Now

**In response to your genuine kindhearted words, I immediately**

**clicked to add 10 Karmas for you, I did not forge this image**

Think removing karma has made me karma?

kanesher

your story hits home.

from grades 1-7 I was bullied by this one kid.

Boruch Hashem I was never really hurt but by recess he would suddenly and out of the blue tackle me and shove me to the ground and sit on me for about 15 seconds.sometimes he would spit at me or shove sticky candy wrappers down my shirt.etc etc etc - 8 years on and off with this garbage

my mother knew about this and said that one day she will beat him up(she never did)

From Grade 8 on I didn't have such problems but it must have bothered me because there was one time where I lost control.

I think I was about when I was 18 or 19 and younger kids used to play by recess in the Mesivta building of the school.I saw one 10 year old really start beating up on another kid and I mean really bad.I must have snapped or something because I never did this before nor since.I grabbed this ten year old bully dragged him to a secluded staircase and smashed him against the wall and basically hung him there there with his feet dangling.and I told him that I will kill him if he ever does such a thing again.the poor kid had this panicked look and was trying to kick me with those dangling feet.It didn't work.Finally I threw him to the floor and he scrambled off.

This was very wrong. It was proper to restrain him but not to scare him like that.

Probably could have used therapy then.

do I need it now?

who knows.

for now I will settle for good old fashion tefillah

kaneshes, who is the author of this "on killing" book?

Try drinking a cup of water from the opposite side of the glass. Or you can hold your breath for 30 seconds. They say eating a spoonful of sugar or of peanut butter works too.

Black jellybeans works best. (or holding you breath for five minutes. The black jellybeans usually help you with the breath-holding.)

And black kidneybeans?
