

## FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

---

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

## HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

**Warning: Spoiler!**

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??  
?????? ?????? ?????? ?????? ???]

speaking of trucks and where you can put them ... make sure not to park in the helige rebbe rav mark's spot ...

*IF YOU PARK IN THE RABBI'S SPOT*

*You will be Cementing the Relationship*

A man who drives a cement mixer truck for a living notices a strange car parked in his driveway and assumes the owner is having an affair with his wife. As revenge he fills the car with concrete. He walks into his house with shouts of "Mazel Tov" to discover that the car was a present from his wife

Ahem.....what movie were you watchin'?

Cornography coming in to my head during tefilla  
Posted by Gevura Shebyesod - 06 Nov 2015 04:08

Okay, here is a really disturbing problem I am having repeatedly. And I am wondering if anyone else is having the same problem. Brace yourself, it sounds really weird, but it is true.

So, specifically during Krias Shema, my mind almost immediately brings up silly jokes that I have heard in the past....

So, specifically during Krias Shema, my mind almost immediately brings up silly jokes that I have heard in the past....

follow these easy steps:

1. take a pen and paper to shul
2. when these jokes enter your mind, stop, and write them down
3. after davening, review them for quality purposes
4. immediately after davening, post them to this website
5. be sure to indicate by each joke which part of davening/which brachas of shemoneh esreh the joke entered your mind (we want to know where the shefa came from)

example: EFRON HACHITI had a nickname. his nickname was LOU. as it says:

????? ?? ????? ???? ?? ??? ?? ?????

I THOUGHT OF THIS JOKE DURING LAINING

example: a guy goes to his rabbi and says he made his telephone modem hekdesch. his rabbi asked why he would do something like that. the guy responded: i said in shemoneh esreh:

????? ????? ??

i give my modem to you

I THOUGHT OF THIS JOKE DURING THE BRACHA OF AVOS WHEN I WAS HOPING IT WOULD BE MODIM ALREADY

example: DOVID HAMELECH foresaw that some of the members of the baltimore ravens would be delinquent in alimony and child support payments. hashem in his great mercy, feeds their ex-wives and kids. as it says:

???? ?????? ???? ???? ???? ??? ?????

I DID NOT THINK OF THIS JOKE DURING ACTUAL DAVENING. I CAME LATE TO SHACHARIS AND HAD TO SKIP THIS HALLELUKA. BUT DURING CHAZARAS HASHATZ (?!?) I WAS LOOKING UP THE SPORTS SCORES ON MY PHONE, AND I REMEMBERED THIS JOKE WHEN I SAW THE RAVENS SCORE.

i can go on, but i think you get the picture.

That's because you say She Shem Shema like a Na Nach - it is funny!

Accordin' to most sources, "Fish" was chunked into the water at the end of the last episode in Season 1.

There have been rumors lately that there might be a return.

Sadly, I am lookin' forward.

That fish was ruthless.

In order to be swallowed alive by a fish, you have to be a prophet, and your name has to be Yona. Not a truck named whatever.
