

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler][spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ?????? seriously. ?' ??
?????? ?????? ?????? ?????? ???]

i hate to get all serious on a "funny" thread (#ouch #imgonnagetburnedforthis) but it's nice and all to say we are tzadikim but we kinda aren't. we may be people who have changed a ton and we good be good people, but tzadikim! i think that is a stretch. (btw this has always bothered me but i never commented till now). if "x" is a tzadik then what was r' aryeh levin, an uber-tzadik? praise is like a teabag, the more you use it the less powerful it is.

The following user(s) said: Find another thread for serious and depressing talk, and leave this one for bad jokes: peloni almoni, markz, cordnoy, skeptical, ZemirosShabbos, 9494, mom, Gevurah Shebeyesod, Bigmoish, Mesayin, the.guard, obormottel, Dov

actual people may have not made actual statement

Tzaddikim are the not the ones that don't fall, **they are the ones that fall constantly and get up constantly.**

I don't fall constantly. What do I need to do to become a tzaddik?

Depends what you call constantly.

Before this gets out of hand and lands in the dirty jokes section, let's put it right

??? ???? ???? ???

There are many ?????? on this website from the.guard all the waydown. We all have fallen. A
???? gets up even if his horse tripped. He may never fall in lust ever again, who knows?

I think it should read something like

*"Tzaddikim are the not the ones that don't fall, **they are the ones that have the willpower to get up again and FS-KOT**"*

Shlomo - do you know I considered to write earlier, then deleted I the following

"There are many ?????? on this website from the.guard till the guy with the blue truck (HE??? A
Tzadik? On this joke forum it passes), and everyone in between"

Why did I not write that???????????

Because it may be inferred that I was kidding about everyone else too, eg. peloni almoni,
cordnoy, skeptical, ZemirosShabbos, 9494, mom (Who is that?), Gevurah Shebeyesod,
Shlomo24, Bigmoish, Mesayin, the.guard, obormottel, Dov.

And I was NOT Kidding

I must deffer to PA over Shlomo in this freak circumstance where you have been found to say
something inherently wrong - but since this is the joke section, Ill explain the whole parsha to
you on on your [Big Steps](#) post

A truck driver was driving along on the freeway and noticed a sign that read: **Low Bridge Ahead**. Before he knows it, the bridge is right in front of him and his truck gets wedged under it. Cars are backed up for miles.

Finally a police car comes up. The cop gets out of his car and walks to the truck driver, puts his hands on his hips and says, 'Got stuck, huh?'

The truck driver says, 'No, I was delivering this bridge and I ran out of gas.'

(okay it is not letting me delete this post. please note this message is now moot, as marx has stolen, no, as a marxist, has reallocated the picture that i posted in my previous post to his own post. therefore, this post is useless. please refer to this link where i allege that marx is a plagiarist:

As a competitor I should just keep quiet cos then my reputation is cool, but, I can't, and I gotta notify you in case you didn't notice - your cob web links need a broom
