

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~ cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??

How To Clean A Cat

1. Thoroughly clean the toilet.
2. Add the required amount of shampoo to the toilet water, and have both lids lifted.
3. Obtain the cat and soothe him while you carry him towards the bathroom.
4. In one smooth movement, put the cat in the toilet and close both lids.

Note: You may need to stand on the lid so that he cannot escape.

CAUTION: Do not get any part of your body close to the edge, as his paws will be reaching out for any surface they can find.

5. Flush the toilet three or four times. This provides a "power wash and rinse" which I have found to be quite effective.

6. Have someone to open the door to the outside and ensure that there are no people between the toilet and the outside door.

7. Stand behind the toilet as far as you can, and quickly lift both lids.

8. The now-clean cat will rocket out of the toilet, and run outside where he will dry himself.

Sincerely,

the Dog

These jokes are getting a little to distasteful for my liking. Let me know when we get back to good funny stuff.

I deleted the nimshal of the dog and the cat, but since you asked for it here goes

"This is what fighting the YH head on looks like (Which some guys try to do), he will escape 'clean' and try bite again.

I my experience (even for me that was never was a sexaholic) true sobriety is gained only when we start to leave the cat alone"

I'm sure my friend Peloni Almoni, when he decides to explain, you wil understand that his toilet jokes are very deep

But I agree with you 9494 and Cordnoy, it's time we got a plumber in here!!

indeed my toilet itself also runs very deep, as i hope so does yours.

so, i have my once in a while bathroom humor day - why does everyone act like it happens every day? i think mom must be getting to you.

anyway, here is a nice one we can all relate to:

though i must say my international toilet day was a few days before, as you can tell from my choice of corniosity. but, that has passed (no pun intended), and i'm truly glad to leave it behind (no pun intended).

but... if you insist, let me tell you a story, i hope i am not pushing it (again, no pun intended):

So there was a treasure ship on its way back to port. About halfway there, it was approached by a pirate ship, skull and crossbones waving in the wind.

"Captain, captain, what do we do?" asked the first mate.

"First mate," said the captain, "go to my cabin, open my sea chest, and bring me my red shirt." The first mate did so.

Wearing his bright red shirt, the captain exhorted his crew to fight. So inspiring was he, in fact, that the pirate ship was repelled without casualties.

That night, the survivors had a great celebration. The first mate asked the captain the secret of his bright red shirt. "It's simple, first mate. If I am wounded, the blood does not show, and the crew continues to fight without fear." The first mate was moved by the captain's bravery and consideration, his wisdom and leadership ability.

The next day, the lookout suddenly cried that ten ships of the enemy's armada were approaching!

"Captain, captain, this time there are ten of them, we are totally outnumbered. What do we do?"

Pale with fear, the captain commanded, "First mate.... bring me my brown pants!"

Haven't seen Smeichel around in a long time.

yes, hi. believe it or not, i am he. sadly, since our last conversation, i have developed multiple personalities, and therefore post under the names peloni almoni, markz, unananumunmunmunnn (something like that), gibbor, and chesed shebemalchus. i often "come to" and find myself dressed in cordoruys, drinking coffee, and talking in a strong chicago accent. unfortunately, one of my more colorful personalities' also took a weird turn in his sexual recovery. he (should i say i?) developed sexual feelings for the bird on the froot loops box. weird huh? and another one i suspect was getting it on with a giraffe! and whenever i try to think if this is real or not, the song yom zeh mechubad comes to my mind! but this is not nearly as bad as this - two of my personalites developed some cold animosity towards each other. one of them, who incidentally is addicted to all varieties of corn, calls this other personality "mom", when his real name is like ... calmness, or tranquility or something ... can't remember. it's like his big thing among the other personalities, he takes polls and stuff. i know he doesnt really dislike mom, but ... whatever. anyways, awesome talking to me. anyone seen me around?
