

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ?????? seriously. ?' ??
?????? ?????? ?????? ?????? ???]

GYE - Guard Your Eyes

Generated: 8 April, 2025, 14:51

=====
a cannibal father wants to train his young boy how to hunt for food. so they go together to a secluded corner of the forest, and they await their prey.

"son", the father says, "always remember to be patient, and choose your meals carefully. today i will teach you how"

after waiting a while, they see an old skinny lady walking by.

PA,
the son asks his father: "are we gonna eat her, daddy?"

Finally you avatar image starts to make sense
"no, son". the father responds. "because after taking away the skin and the bones, theres barely anything to eat. she is simply not worth the trouble of catching and knocking out. we will wait a little longer."
=====

some time passes, and an obese middle aged man comes waddling their way, shifting masses of flabby fat from side to side as he walked.

"what about him, daddy? he could feed us for a week!"

"no son, think of the cholesterol and the trans fat that we would ingest if we would eat him, we will wait a little longer."
Appas, I know that I'm a little late to the party but welcome back. And can you tell those guys in Brussels to knock it off already. Oh! One more message before i forget, some guy called for you named donald. He says he wants to make a deal.
a few more minutes pass, and an attractive young lady comes jogging by.

=====
"what about her? she seems nice". asks the boy innocently.

"indeed she does" answers the cannibal father. he eyes the young lady intently for a few moments and then says, "she will do just fine. we will take her home, and eat your mother".

In the beginning

"what about her? she seems nice" asks the boy innocently. "indeed she does" answers the cannibal father. he eyes the young lady intently for a few moments and then says, "she will do just fine. we will take her home, and eat your mother"
Little Peter asks his father one day, "Daddy, how was I born?"
His father replies, "Ah, Peter my son, I guess one day you'll need to find out anyway so let me tell you how. Well, you see, your mother and I first got together in a chat room on Yahoo. Then I set up a date with her via email and we met at a cyber-cafe. We sneaked into a secluded room where your mother agreed to a download from my hard drive. As soon as I was ready to upload, we discovered that neither of us was using a firewall and since it was too late to hit the delete button, nine months later a blessed little Popup appeared and said - You've Got Male."
