cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

## HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

**Warning: Spoiler!**

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ????? seriously. ?' ??  
?????? ????? ????? ????? ???]

You have 3 more questions left, and ask them yourself, they invaded your fishy home.

Rabban Gamliel taught: Anyone who does not say this on Passover, has not fulfilled his obligation ...

?HEADLINE:

MAHMOUD ABBAS AGREES TO A PHONE CONFERENCE WITH KARL MARX

Witnesses report that the conversation proceeded mostly in a civil manner, besides for several expletives exchanged at the beginning, and random, non-sensical outbursts made mainly by Mr. Marx throughout the conversation. This, however, was of course to be expected keeping in mind Mr. Marx's fiery temper, unstable personality, and uncanny affinity towards trucks (hence, "commune"-ism).

A various range of topics were said to have been discussed, some which are "classified" due to their nature. Included in these topics were the construction of the time machine that allowed the meeting to take place, a possible medical break-through that would regrow hair on the heads of old Chicagoans, and the disappearance of the possible terrorist / mafia god-father / whistle-blower known as "Mom".

Being that this was the first time they have ever spoken, Mr. Abbas had the following to comment afterwards:

"I will always cherish my original misconception of Mr. Marx."

Mr. Marx was unavailable for comment. We are not surprised.
