

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler][spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ?????? seriously. ?' ??
?????? ?????? ?????? ?????? ???]

I posted this picture once before, but since he don't wanna go to the golden oldies, I will re-post, especially due to right-wing fanatics we have protestin' as of late:

damn lust addicts.

no, no, no, where ARE my manners!?! we have to be ?? ??? ????? that they probably mean a mixed keilim mikvah, one that both men and women can use.

i mean after all, they have beards and hats! and they look so PIOUS with their curly PIOUS.

Pa! What kind of one track mind do you have thinking that mixed means men and ladies. they are reffering to the broken filter, and all of the gook in the mikva was floating on the top. They just want it to be mixed so the water and gook are even!

ahem. time for a markz moment.

um... excuse me, that is dated 12 august, 2015.

you cannot expect me to have been sober that long ago. find me something more recent. like from the last 5 minutes, and then maybe (insert flashing police car, animated mr. bean, various moving misc.paraphanelia here) maybe you have a point (make various colored and sized letters, with flashing animated header)

(insert truck related quip here)

(insert knock against PA here)

(insert coded comment here)

KOT (the verb, not the former username)

(insert new rashei teivos here, and do not say what they stand for)

RKOPAMTEHBSICBDBIOJKMBGLY

(really keep on pushing and monster trucking extra hard because sometimes it can be difficult but its ok just keep moving baby, god loves you)

He spent an hour formulating it and someone else appreciated it, so he deserves a thank you for that (which I have thanked other's for such things too)
