

FREE HARDCORE CORNOGRAPHY

Posted by peloni almoni - 12 Aug 2015 03:54

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler][spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

Warning: Spoiler!

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ?????? seriously. ?' ??
?????? ?????? ?????? ?????? ???]

All joking aside, we definitely need better gun control in this country!

R.I. man charged with shooting corncobs at neighbor's home

THE ASSOCIATED PRESS SEPTEMBER 02, 2016

WESTERLY, R.I. — A 50-year-old Westerly man is charged with shooting corncobs at his neighbor's home. The Westerly Sun reports that Jeffrey Osella was arrested Tuesday night. Police say he answered his door shirtless and had corn kernels stuck to his chest. Police say Osella used a potato gun to shoot corncobs at his neighbor's house...

Like Hashem the Uber driver, HKB"H always shleps us (for a nominal fee).

There are two very crucial topics we need to discuss. I was going to make a new topic due to the grave importance of these matters but succumbed to post it here.

1

Markz's profile pic. It was much better as the towtruck from the Cars movie.

See? Who says that isn't approachable?

2

Forget the politics of who to lead the *Yomim Noraim* services. The REAL issue is how many mourner's Kadishes to say after Aleinu. Do we REALLY need one just before *I'Dovid Hashem Ori?* Choose your allegiance! (If I just dipped into a massive halachic machlokes, I apologize. But you know, just as there isn't a fashion magazine in Alaska, I don't want to trend on thin ice).d

I saw this recently on various whatsapp groups: Click the predictive text on your keyboard 20 times and see what it says.

I cam to beleive this simply through studying science a drop in the past about GYE the same time as a result of the week and I need to be there in a sec or something like that I can take a

look at the difference between the two of the week.

That was more than 20, but whatever.
