

## FREE HARDCORE CORNOGRAPHY

cornography *n*, [kor-nog-ruh-fee] - an intense display of corny or clever jokes, commonly used in various kinds of recovery

side effects of viewing cornographic images will include laughter, rolling of the eyes, the occasional snort, and general irritation. extreme cases were known to include diarrhea, coughing, vomiting, and well...

[spoiler]/[spoiler]

if you experience any symptoms for more than 4 hours, you're welcome.

## HISTORY OF CORNOGRAPHY -

i am a firm believer in this. and i am sick and tired of posting on other people's forsaken "just having fun" threads that cordnoy keeps reviving from the dead. i am getting increasingly depressed by posting on the depressed person's chill spot, and i feel like i already ate and digested all the "chulint" i could handle. hell, i even made an ??? ???

sooooo, i am starting my own blog, that will, at least for some time, be updated and active, but hopefully be interactive. i encourage everyone to PLEASE PLEASE PLEASE help, as humor therapy should be a group effort. you all have talent - I'VE SEEN IT.

~~cordnoy~~cordnoy is so good at it, that if this were a corny army, i would appoint him ...

**Warning: Spoiler!**

rabbosai, the indians called corn "maize". they must have thought corny jokes were just "amazing". but my motto for this blog is - **NO JOKE IS TOO STUPID**. you have my word that i will at least try to laugh at every attempt at humor that anyone makes here. feel good that you may be giving me or someone else chizuk - or at least you will be annoying "the urge" right out of them.

so friends. romans, countrymen, give me your EARS of corn...

BRING OUT THE POPCORN, LET THE SHOW BEGIN...

[zemmy, if you're reading this, let it never be said that i do not take my ?????? seriously. ?' ??  
?????? ?????? ?????? ?????? ???]

It's very important that the Mikva is well mixed. Otherwise the hot water rises to the top and the cold water sinks to the bottom. Then people hesitate to go in because they get cold feet.

A guy once had a medical condition that required one of his legs to be amputated.

When he woke up after the surgery, he realized that they had amputated the wrong leg!!! So they put him under again, and his other leg gets amputated.

The guy is fuming, and he takes the surgeon to court.

The judge says to him, "I hear what you're saying, but I really can't give this case to you".

Furiously the guy says, "Your Honor, what is the meaning of this???"

The judge replies, "you presented a good case, but ***you have no leg to stand on***"
