you know, we should ban handcuff pic's from this forum.

some people may find them triggering.

you know who you are.

and this definitely is the right thread to mention it.

ANOTHER REASON SEFARDIM NEED TO GET A LIFE AND CONVERT TO LITVAK'ism

The Alte Litvaks can't wait for tommorow night

They will be drinking

"Four Kases of Wine"

Maybe that's why they delay selichot till the last minute

It takes time to soberize, no?

If you want someone who will bring you the paper without first
tearing it apart to remove the sports section

Buy a dog.

If you want someone willing to make a fool of himself simply
over the joy of seeing you

Buy a dog.

If you want someone who will eat whatever you put in front of
him and never says its not quite as good as his mother made it

Buy a dog

If you want someone always willing to go out, at any hour,

for as long and wherever you want

Buy a dog.

If you want someone who will never touch the remote, doesn't
give a hoot about football, and can sit next to you as you
watch romantic movies

Buy a dog.

If you want someone who is content to get up on your bed just
to warm your feet and whom you can push off if he snores

Buy a dog.

If you want someone who never criticizes what you do, doesn't
care if you are pretty or ugly, fat or thin, young or old,
who acts as if every word you say is especially worthy of
listening to, and loves you unconditionally, perpetually

Buy a dog.

BUT, on the other hand

If you want someone who will never
come when you call, ignores you totally when you come home,
leaves hair all over the place, walks all over you, runs around
all night and only comes home to eat and sleep, and acts as if
your entire existence is solely to ensure his happiness.....

Then my friend, Buy a cat!

(You thought I was talking about men didn't you!)

I am feeling a little depressed as I am feeling that this problem is out of control by me, even this morning I walk on the street and I see these women and my heart constricts I am lusting them like crazy, and the weird part is that my wife is a very attractive well dressed woman and probably mother husbands of these women are lusting my wife,

Is lust something that stays with you? Am I doomed to this fight for life?

When I am looking at a woman am I seeing something my Freinds don't see? Am I wired differently ? I have so many questions and I am hurting so much inside,I am still sober but it's a crazy struggle

Any support is appreciated

[cordnoy wrote on 21 Oct 2014 20:59:](#)

why do think it's weird at all?

we are lust addicts; period!

some like em hot; some like em cold; some like em young and some like em old.

some like em short; some like em tall; some like em large and some like em small.

some like em fat; some like em thin; some like em covered and some like to see skin.

some like babushkas; some like shpitzels; some enjoy shaitels and others prefer tichels

I am non-discriminatory - I like em all!

My avatar image was updated this week, so I got this astounding email from someone asking

whats up with the new paint job? and who left his laundry hanging from your hook?

Guess what!?

I started a clothing **drive**

Cos it's the summer, and some people (particularly female) cannot afford the "bare" necessities, I thought it would be a generous consideration.

Please spread the word - when you see a blue smiley truck in your neighborhood do the good thing and donate any clothing you have

Disclaimer: shaitels will not be accepted due to [negative publicity](#) that gave credence to lust

So please slow down, ODAAT one donation at a time, no pushing
