

My new addiction: GYE!

Posted by heiligeryid - 23 Dec 2015 19:29

---

It may sound funny, but since i came to GYE and started my 90 days journey b"h, i feel that my old addiction went over to a different one, I became a GYE addict. I simply can't take off my eyes from all the interesting forums, articles etc.

Can anyone offer some help???
