In any case it was supposed to be "HEY" and not "HAY YOU", unless you are seriously worried about chametz she'avar alav hapesach, and that's all your wife is feeding you

Maybe eslaasos has been rubbing off on you

See for example the picture of eslaasos' wife which he kindly posted with his avatar

Glad you think I'm not some yukel.

I didn't actually mean to change the title, but it was a requote from the early days of this thread when I was desperate for someone to notice, so I change the title to some wild things.

Nowadays I just create new usernames to thank me like Markz, Cordnoy and Shlomo24. There are others, but I don't want to give it away...

**Warning: Spoiler!**

Btw, what's a yukel?

Ok.

Then!: "I have a plan that my four little children will one day.... I have a plan today....I still have a plan, a plan deeply rooted in the American plan – one day this nation will rise up (don't call it rise up; call it brexit....ok (I'll Brexit, I'll brex like the day, I'll Brexit, I'll brex unafraid, I'll Brexit, And I'll do it a thousand times again)) I have a plan....."
