Since my other identity didn't post my argument we're going to have to do it myself.

"When I let go of what I am **I can work to** become what I might be"

Since stillgoing inc. is buy preparing his couch for me I'm going to have to post today's quote

I'm having issues posting the picture so the text will have to suffice.

"Life is either a daring adventure, or nothing at all"

-Helen Keller

Reminds me of something I saw in someone's signature.

I have failed yesterday and I might fail tomorrow, but today I'm going to give it a try. It's not all or nothing, just every "bit" counts!
