So is it a daily quote if you only post one once every ~~2 weeks~~ 5 months?

How about if you post multiple quotes on one day?

I always wondered how one can practice "one day at a time" multiple times during one day;
doesn't that add up to eight or ten days at a time?

What's the shaychus of the cup?

You are waiting for them to come and talk things over, over a cup of coffee.

I think that's the whole point. the cup is empty. The're not coming. We can forgive them anyway, because forgiving is about us, not about them
