

Pun Intended

Posted by gibbor120 - 30 Aug 2017 15:39

This one just came to me. I can't beleive this topic has not been started yet. I will start with the first one and lets see where it goes from here.

I tried making ten good puns,

But no pun in ten did.

I'm not a big fan of taphsic, but some people swear by it

Mark - my word!

I think we should make gibbor the gabba around here

Did you hear about the dyslexic Satanist? He sold his soul to Santa.

=====

Re: Pun Intended

Posted by stillgoing - 06 Sep 2017 21:56

A good ***pun*** is its own reword.
