Hi all,

I've been meaning to share with all of you wonderful warrior and Tzadikim my five podcasts that I do that are completely free.

I run one on pirkei avot (ten minutes or less on a mishap of Pirkei Avot per day), one on the day (a few minute lesson from a piece of Gemara from the day of the day), one on the parsha (15 or so minutes on the parsha), one on occupational therapy (helpful hints or tips as I am on OT and its ten minutes or less), and one lecture series (hour or so per topic). The lecture is twice a month (pm me to listen live for the link usually every other Monday night 830 eastern time), parsha is weekly, the others are throughout the week.
