Posted by smith.gye - 29 Dec 2022 16:06

Hi all....I am bh now at day 12 clean....but in Thursdays like today when I am writing I have a lot of free time and it's a day that I can fall very easy because I will go on YouTube (for sure starting only kosher stuff) and after a few minutes I will find my self watching no kosher things....please if you can post any entertaining kosher things to do or better watch online...thanks in advance

Also is there like a kosher YouTube?
