

The Grouchery: Haven for the Grumpily Disgruntled

Posted by youknowwho - 08 Mar 2024 15:01

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

Enter at your own risk!

do I need to change my avatar to post in this thread?

Not true. This thread is not yours even if you authored it.

If you don't like it, thank me - I just gave you another gripe.

So far there has been no Lashon Hora on this thread and everyone has been respecting each other. We should make sure it stays this way.

There are no words to describe the awful depressing feeling one gets when one is watching their dreams and hopes slipping through their fingers and there is very little one feels they can do to stem the tide as the apparent failure just gains momentum and in someways becomes a self fulfilling prophecy. Despair is the watchword people. Aaargh

Monday doesn't quite capture that feeling but it comes close can't deny that
