The Grouchery: Haven for the Grumpily Disgruntled Posted by youknowwho - 08 Mar 2024 15:01 Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity. Welcome to... The Grouchery: Haven for the Grumpily Disgruntled This thread is a place where one can feel free to rant, vent and gripe. It is a safe haven for negativity, sourness and blahness. It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden. It is a place where you can vent about what a rotten day you're having and not worry that people will then reach out with concerned pm's/texts...cuz nobody really cares. And that's perfectly fine, why should anybody care? Please Remember: -No profanity (Sadly) -No personal insults (Sadly) - Absolutely no: Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly) Enter at your own risk!

What charm did you use to turn his wand into an asparagus, Professor?

I dont really care, Harry Potter is just for dumb, bleary-eyed, fantasy-inclined, bubbleheaded, muggles anyways?

What a complete waste of time!

3/8

I hope that was grouchy enough, it hurt to write that

For this post, and the post about cartoons you just posted on Bennyh thread, immediate action must be taken.
Red lines were crossed.
I will not turn you into an Asparagus. Only Eerie deserves that this calls for something more drastic!!
Mad-Eye, go get him!!

Having Sof Zman first requires a Zman

Snort.

But my spot on the bench is long cold. And being burnt-out first requires a fire, long extinguished- so I just feel old. All of your grouchingly joking around ticks me off, and makes me feel bold to yell in frustration to the cold, silent sky "Oh! For just what have I sold out mine soul?!?" (This post brought to you by #realgrouchfrust) Re: The Grouchery: Haven for the Grumpily Disgruntled Posted by iyh2023 - 12 Apr 2024 15:13 I cant believe that the The Grouchery is so quiet on this gray rainy gloomy Friday, a ton still to do for Shabbos, just about started thinking about cleaning for Pesach, the pressure is on, the day is always to short. You know, even if Friday was a week long, we wouldn't be ready for Shabbos on time. Why oh why, cant we pull it all together on time, why are we always scrambling at the end of the day? Re: The Grouchery: Haven for the Grumpily Disgruntled Posted by tzitzis dude - 12 Apr 2024 15:20 Last night, my wife and I were discussing my lack of energy (mostly emotional) and that I slowed down a lot from the beginning of the week. (We made a bris on Tuesday, BH [derech agav, is that allowed here?]). My wife said "but tomorrow's Friday, so at least there's that".
