

The Grouchery: Haven for the Grumpily Disgruntled

Posted by youknowwho - 08 Mar 2024 15:01

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

Enter at your own risk!

I mean, like, seriously?!?!?

Do you really need to put a TV on the 2x2 screen in the gas station????

If I want to watch something, I'll do it on my own phone.

If I want to find Maria Menounous (or something like that...) I can do it on my own...

Why did you have to get in my face like that?!?

Stupid. Just plain STUPID!

Warning: Spoiler!

Yeah, so I finally worked up my nerve to ask my boss for a raise. Didn't go over too well.

And i just stubbed my already stubbed toe. It hurts a whole bunch.

And I'm exhausted.

Stay grouchy, peeps.

This day felt

Like walking uphill

against a powerful stream of molasses

in the rain

without a Shaincoat .

Oh! Where is Mayor Figaleli LaGardenhose to tell the Bullzoders to go away when you need him, heh?

Bah, Humbug.

KOG

Ridiculous songs stuck in my head all morning, full of inappropriate humor. And if I try to sing something else and redirect my mind I start coughing out of control...

BH, a 10-lb boy.

Over a week overdue, and BH doesn't look as much as an alien as they usually do.

Before 4 months pass, I don't want to hear 1 grouch from you on this thread.

Not about staining or MIL or lousy cheesecake.

If you don't like my suggestion go to your room and grouch!!

I just heard this incredibly grouchy but amazing line from an unlikely source (not Foolie), and I couldn't think of a more appropriate place to post it than this thread:

Life is a sexually transmitted disease, with a 100% mortality rate.

Something that makes people smile, should probably not be on The Grouchery. Yet since its so good the Wizengamot will let it through

I think I'll grouch along just as much as I feel like, thank you very much.

Speaking of which, I got a nasty cold from all of the AC over shavuos.
