

The Grouchery: Haven for the Grumpily Disgruntled

Posted by youknowwho - 08 Mar 2024 15:01

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no**: Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

Enter at your own risk!

Flip a coin and move on buddy.

(Disclaimer: taking advice from the grouchery is guaranteed to end badly.)

Flip a coin?!

Whatever happened to drawing straws?!

Here's something irking me since I got to know GYE, I'd love to open a thread on the BB forum (for the exclusivity), but I can't think of enough to complain about in my marriage. Of course we have our disagreements, but nothing compared to some legendary threads.

Maybe I'll make up some sob story.

Wow, this place is awesome. Thanks @BenHashemBH for sending me to this candy store.

Warning: Spoiler!

This my fiend is not nearly grouchy enough to be seen in these parts, maybe you should go open a thread titled " The happery" and trust me, that, will be pretty exclusive.

Seems like you forgot that in this thread absolutely no-one cares about anyone other than themselves. Whether your marriage is ??? or???? on this thread you are irrelevant

Well, to be precise, this is an anonymous forum and I'm in disguise. Now stop blowing my cover.

Why does Erev Shabbos need to be so tired, rushed, last minute, exhausted, kids-not-behaving???

Every. Single. Week.

The end.

Bye bye...
