Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no**: Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

**Enter at your own risk!**

If I back down, that'll be handing in my man card. No. I'm sticking to my gums. (The Democrats took my guns, so that's all I have for now...).

I was challenged to do something, and I did it. If the challenger has anything to gripe about, what do I care? I don't even give a flopped pancake flip that gets batter all over the place.

And now, we return to our regularly scheduled grouching.

We now have ????-?????. A real doozy in its own right. To make things even more fun, I am multiple weeks behind in ??????.

Gosh, friggin kids, always being nosy and needing to know all manner of stuff. (Like "Totty, why can you say [insert slightly off color word] and not me?")

Are you kidding? Imagine the grouching that would've led to! I can only dream of such pure grumping.

Maybe she does learn Gemara!

Tell her you want eggplant and see if she doesn't give it to you.
