

The Grouchery: Haven for the Grumpily Disgruntled

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

**Enter at your own risk!**

What the hell is wrong with everyone thanking peoples posts? Trying to make people feel good?!?

Anyone remember why we're here?

Keep it at a snort if you must

OMG! I just wrote a whole post, and it didn't go through. You guys must have set it up that I can't post here. You are afraid of what I'll have to say, who knows what damaging encouragement I'll share C"V

Will retry soon....because there's NEVER a reason to despair!!!!

Wow! *EERIE!!!* So glad to see your post, smileys and all! I was actually contemplating raffling off a nice box of lingerie to the guy that gets you to post a grouchy piece over here.

Actually, you succeeded. My post (which went lost-argh:)) went something like this:

OOOOOOOOOOOOOO

MMMMMMMMMMMM

GGGGGGGGGGGGGG

!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

OOOOOOOOOO

MMMMMMMMMMMM

GGGGGGGGGGGG

!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

What the (beep) is going on here???!!!!

I wasn't on GYE for a while, due to some grouchfying stuff, and here I come back to find THIS???!!!!

Truth to be told, after reading YKW's first post I thought I can't post here, because anything

remotely similar to Eerie would be totally against any of the rules. But then I read through it and laughed so hard at mankind's attempt to make life sound sad. So I'm here to tell you:It's been swell. and NOW: **GET THE (BEEP) OFF THIS THREAD AND SMILE!!!!!!!!!!!!!!!!!!!!!!!!!!!!**

On a serious note, it's actually a great thread, in the right place. Yes, we human beings need to kvetch (thing is, nobody cares to hear me kvetch, except that that was a kvetch..). And kvetch we may. And as long as we remember that at the end of the kvetch about Friday, Wed or anyday or thing or person or pronoun, we gotta look for the guy that will somehow, someway, make us smile.

I nominate Redfaced to be that guy.

Okay, that's enough! Guys, help me get this guy OUT of here! You grab his hands,, you get his legs. What? What'd you say? I don't care if he's trying to kiss you! OUT!!!

Not sorry at all but I'm not playing. I'm with YKW here.

No room for good cheer .

Here we are all free to let our inner crumple-horned snorkacks wild

**Grumping is sometimes very healthy.** It allows us to relieve tension and then recover and see things straight. This is as long as we aren't throwing rocks at anyone. Please don't stone me for this one. I am trying to keep the thread alive and healthy.

So is laughter.

Thanks Eerie for grumping on this grumpy thread on this grumpy Tuesday.

**Warning: Spoiler!**

Actually, I'll join the grumps. I'm still trying to figure out if it counts as a fall. Oh well. There's that terrible saying about all good things must come to an end. But who says there was a good thing? Having life and the world around quake. Ah! Geshmak! It's wonderful to have everything just fall flat. Including the cake. Anyway, what's the point of airing out the kvetches when nobody cares? I was thinking to thank some people for their good deep grumps, but I wouldn't want to ruin the heartwarming depression.

Ok, Benny. I hope you're happy now. Actually, I hope you're enjoying the disgusting feeling that I'm kvetching with you. Actually, I hope you don't even care that I'm kvetching. Actually, I don't even care if you care that I'm kvetching about you caring not to care.

To quote an super non-inspirational kvetcher-FLUSH

While you grumpily grump about joining the grumpily grumpers. Those who are already grumpily grumping are to busy being grumpy to care that another grumpier has come to join the party. And for those of you who are grumpily grumping and have become grumpier from reading this post you can file your complaints with the your local GA (Grumps Anonymous) chapter and grumpily fume as they take their time responding to you in the grumpiest manner possible.

Sadly...no.

Not yet, anyway. Day is still young.

Feeling huggy and kissy. Warm and fuzzy. Bursting with care, concern and empathy.

Is there something wrong with me? Time will tell...

Tom, someone seems to have used the Dark Arts and switched your heart with Eerie's.  
Heaven help us!

Who could have done the dastardly deed?!?

Frankly, Shcarlett, I don't give a Krechtz.

Its *got* to be Polyjuice Potion! Someone must've snuck a beard hair from Eerie and an African Dwarf Frog Leg (stolen from Snape's stores) and surreptitiously put it into my morning coffee!

Ha ! Eerie mustache my foot.

That looks suspiciously like a hair from Millicent Bulstrode's cat.

Enjoy the ride
