

The Grouchery: Haven for the Grumpily Disgruntled

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

**Enter at your own risk!**

I gotta say, sadly, your new avatar image cheered me up.

Now go back to sleep.

And remember...the grass truly **is** greener on the other side. Anybody who ever said otherwise was simply misleading us.

My kids have apparently decided that bedtime is no longer a thing. So instead of sleeping peacefully they spend over an hour every night throwing things at each other in their room. Fine, whatever. As long as they're not too whiny in the morning I don't care. But it inevitably ends in tears and I have to deal with it. So they are way down in the polls.

But at least the baby's been sleeping through the night so she is winning. Currently was the favorite kid. Then yesterday my wife tells me she's taking the baby to the doctor because she's oozing blood??? Kid, you're demoted.

IDK how blood even oozes. Pouring, I get. Gushing is gross but makes sense. But oozing?

I think i will refrain from posting on this thread again even in jest, it looks like the demons saw my post and decided to show me what a grumpy can look like, I'm seriously having the grumpiest day of the year today. Oh and i will remove my avatar image. It's sort of like asking the demons for forgiveness.
