

The Grouchery: Haven for the Grumpily Disgruntled

Speaking to a few friends offline gave birth to this idea, it seems to be an urgent and immediate necessity.

Welcome to...**The Grouchery: Haven for the Grumpily Disgruntled**

This thread is a place where one can feel free to rant, vent and gripe.

It is a safe haven for negativity, sourness and blahness.

It is a place where one can be sure to find a healthy dose of demotivating advice. It is a place where any kind of positivity is strictly forbidden.

It is a place where you can vent about what a **rotten day** you're having and not worry that people will then reach out with concerned pm's/texts...*cuz nobody really cares*. And that's perfectly fine, why *should* anybody care?

Please Remember:

-**No** profanity (Sadly)

-**No** personal insults (Sadly)

- **Absolutely no:** Nice, positive, warm, loving, optimistic, motivational, supportive or inspiring posts. (Not sadly)

**Enter at your own risk!**

You should be just fine.

However, I'd be moiseif that before making your highly tactful comment, you should confirm that the tefach and a half is not a different cheilek of the zelbah sheitel. (The current Grodnian style has a tiered and multicolored look)

Otherwise you are golden, brother

I'm gonna grouch tonight about chevra that are mis'abel on the petira of a certain leader of a not to be named das. (Let's call him "perp" to keep this post apolitical)

? "Oh, this perp was so liberal and nice"

"Spoke kindly about Israel"

Just curious why 500 years of psychopathic perps doesn't prove that that position is not quite the infallible "shechina yotzei mitoch gerono" that it's made out to be. (True the past few have been non violent, but read some history, dude)

Grumpy in Grodno

My erev Shabbos grouch involves doing a certain chesed...which provides you a forbidden glimpse...which then leaves you stuck...until MSY saves your day.

I would also make a very special grouch shout-out to auto predict which insists that chesed must be replaced by the word chewed and pesach by the word peach.

Thank you for listening so patiently to your daily dose of Grodnian diatribe

Since when is this a daily occurrence?

I just discovered this safe haven.

Pretty sure it was designed with me in mind so I don't plan on leaving anytime soon.

Are the ivory tower folk / seasoned veterans - OK with foreigners like me sticking' around?

Does this clique deport, etc.?

I don't think I'll have access to the site often for the next bit.

So I went to TAG to get the app on my phone. Got the app. Needed a website allowed.  
Eventually worked up the nerve to go back and have the guy allow the website.

Of course he saw what website it was. And of course when he allowed the site it loaded up my  
3 circles plan on the frontpage which says just the most explicit and personal stuff. Whatever.

The grouch is that after all that it turns out the forum section of the app uses a different URL  
than the F2F section (app.guardyoureyes v. guardyoureyes) and I only got the webpage for the  
F2F allowed. All that for nothing.

Actually, here's the real grouch. The warm and heartfelt "Hatzlacha!!" the guy gave me as I was  
leaving. Blech.

**Warning: Spoiler!**

Until you show your face daily at SA meetings and admit publicly every perverted thought and thing you ever did I have no pity. Sorry

Once we're in that sugya, how's about the main schmendrick himself- Harry Potter?

I mean come on. He's supposed to be the hero. The amount of times he's utterly retired on his smart and capable friends (excluding, of course, RW) and everything just happens to work out?

I can go on and on, but stuff.

Not maskim. The guy at TAG gave me a "Hatzlacha" once when I explained to him that they need to recategorize 7 sites because they have loopholes... That "Hatzlacha" sucks more than every fault admitted in SA with brothers who understand and care.

But... I've no sympathy either... LISHMA - Because it's the Grouchery!!!

you mean like in book 3 where he's dead but saves himself postmortom and is only able to save

himself in the first place because he knew that he saved himself, I mean why can't every dead guy pull that off and what starts the process of using the time thing in the first place????
