You know what I mean?

And I hate that I'm related to the chag this way.

To be perfectly honest I'm already kind of exhausted just thinking about Purim!! Will the kids have a good time or will they be driving my wife and I crazy (I love them don't get me wrong lol)... and then all the cleaning and prep starts so soon after... sigh. You know what I mean?

What do you mean? By all means please explain the depths of your despair in vivid detail so that we can all know what joy life brings you

I don't understand your reply. Are you being sarcastic? If so, why?

Don't take it personally. Foolie has been sarcastic even before his African Dwarf Frogs went to

froggie heaven.

Thats his way of saying hi and trying to initiate a conversation which can be beneficial for all stress types.

Foolie - Down, boy!!!

Foolie is gently and lovingly asking you (in foolie language) to share more details about your pesach gripes.

Than we'll all gripe about it together.

In the meantime, here's a ~~snort~~ hug.

Pesach prep is tough, yup!!
