One afternoon, a policeman pulled over a car and the following conversion took place...

POLICEMAN: Driver, I pulled you over to give you a \$5,000 reward for obeying the road rules, what are you going to do with it?

DRIVER: Sir, I'm gonna buy a driver's licence.

The side-passenger quickly says, "Sir, don't listen to him, he talks nonsense when he's drunk." And just when the Policeman is about to reply, the passenger in the back-seat says, "I told you guys we won't go far in this stolen car!" And just as the policeman's face is about to turn red, the guy in the trunk says, "Did we cross the border yet?"

One day, I went to an office,I noticed a man displayed his wife's pictures all over his office; his laptop, phone, table, chair, fridge, cup, his wife's pictures were everywhere in the office.I walked up to him and said, "You really love your wife sir. Every man should emulate you."The man looked at me and said, "My brother, you don't understand, with my wife's pictures hanging everywhere, there's no work in this office I cannot do. Anytime I am faced with a serious work, a very challenging task, I will look at the pictures and I will say to myself, "If I can handle this woman, then this job is a small job."

One day, after what seemed an eternity in the Garden of Eden,
Adam called out to God, "Lord, I have a problem."

"What's the problem, Adam?" God replied.

"Lord, I know you created me and have provided for me and
surrounded me with this beautiful garden and all these wonderful
animals, but I'm just not happy."

"Oh, and why is that, Adam?" came the reply from the heavens.

"Lord, I know you created this place for me, with all this lovely
food and all the beautiful animals, but I'm lonely."

"Well Adam, in that case I have the perfect solution. I shall
create a 'Woman' for you."

"What's a 'Woman', Lord?"

"This 'Woman' will be the most intelligent, sensitive, caring,
and beautiful creature I have ever created. She will be so

intelligent that she can figure out what you want before you want it. She will be so sensitive and caring that she will know your every mood and how to make you happy. Her beauty will rival that of the heavens and earth. She will unquestioningly care for your every need and desire. She will be the perfect companion for you," replied the heavenly voice.

"Wow, she sounds great, Lord."

"She will be, but this is going to cost you, Adam."

"How much will this 'Woman' cost me Lord?" Adam inquired.

"She'll cost you your right arm, your right leg, an eye, and an ear."

Adam pondered this for some time, with a look of deep thought and concern on his face. Finally Adam said to God, "Ehhh, what can I get for a rib?"

And that's how modern woman was created. One day, after what seemed an eternity in the Garden of Eden,

Adam called out to God, "Lord, I have a problem."

"What's the problem, Adam?" God replied.

"Lord, I know you created me and have provided for me and surrounded me with this beautiful garden and all these wonderful animals, but I'm just not happy."

An elderly couple had been experiencing declining memories, so they decided to take a power memory class where one is taught to remember things by association.

A few days after the class, the old man was outside talking with his neighbor about how much the class helped him.

"What was the name of the Instructor?" asked the neighbor.

"Oh, ummmm, let's see," the old man pondered.

"You know that flower, you know, the one that smells really nice but has those prickly thorns, what's that flower's name?"

"A rose?" asked the neighbor.

"Yes, that's it," replied the old man.

He then turned toward his house and shouted, "Hey, Rose, what's the name of the Instructor we took the memory class from?"

A construction worker accidentally cuts off one of his ears with an electric saw.

He calls out to a guy walking on the street below, "Hey, do you see my ear down there?"

The guy on the street picks up an ear and yells back, "Is this it?"

"Oh, no!" he gasped as he surveyed the disaster before him. Never in his 40 years of life had he seen anything like it. How anyone could have survived he did not know. He could only hope that somewhere amid the overwhelming destruction he would find his 16-year-old son. Only the slim hope of finding Danny kept him from turning and fleeing the scene.

He took a deep breath and proceeded. Walking was virtually impossible with so many things strewn across his path. He moved ahead slowly. "Danny! Danny!" he whispered to himself.

He tripped and almost fell several times. He heard someone, or something, move. At least he thought he did. Perhaps, he was just hoping he did. He shook

his head and felt his gut tighten. He couldn't understand how this could have happened. There was some light but not enough to see very much. Something cold and wet brushed against his hand. He jerked it away.

In desperation, he took another step then cried out, "Danny!"

From a nearby pile of unidentified material, he heard his son. "Yes, Dad," he

said, in a voice so weak it could hardly be heard.

"It's time to get up and get ready for school," the man sighed, "And for heaven's sake, clean up this room!"

It was the first day of school and a new student named Martinez, the son of a Mexican restaurateur entered the fourth grade.

The teacher said "Let's begin by reviewing some American history. Who said "Give me liberty, or give me Death"?

She saw a sea of blank faces, except Martinez, who had his hand up, "Patrick Henry 1775."

"Very Good"! Who said "Government of the people, by the people, for the people, shall not perish from the earth? "

Again, no response except for Martinez: "Abraham Lincoln, 1863." he said.

The teacher snapped at the class, "Class, you should be ashamed. Martinez, who is new to our country, knows more about its history than you do".

She heard a loud whisper. "Screw the Mexicans" "Who said that?" she demanded.

Martinez put his hand up. "Jim Bowie. 1836."

At that point, a student in the back said. "I'm gonna puke".

The teacher glares, and asks "All right! Now, who said that?"

Again, Martinez says "George Bush to the Japanese Prime Minister. 1991"

Now furious, another student yells, "Oh yeah? Suck this! "

Martinez jumps out of his chair waving his hand and shouts to the teacher "Bill Clinton, to Monica Lewinsky. 1997!"

Now with almost a mob hysteria someone said, "You little ****. if you say anything I'll kill you."

Martinez frantically yells at the top of his voice, "Gary Condit to Chandra Levy 2001."

The teacher fainted. and as the class gathered around the teacher on the floor, someone said, "Oh ****, we're in Big trouble!"

Martinez said, "Saddam Hussein 2003"

"Calm down, my child," said her mother, "it's not half as bad as you think. Every marriage has to have its first fight!"

"I know, I know!" said Joanna. "But what am I going to do with the BODY?"

I was in the airport VIP lounge en route to Seattle a couple of weeks ago. While in there, I noticed Bill Gates sitting comfortably in the corner, enjoying a drink. I was meeting a very important client who was also flying to Seattle, but she was running a little bit late. Well, being a straightforward kind of guy, I approached the Microsoft Chairman, introduced myself, and said, "Mr. Gates, I wonder if you would do me a favor."

"Yes?"

"I'm sitting right over there," pointing to my seat at the bar, "and I'm waiting on a very important client. Would you be so kind when she arrives as to come walk by and just say, 'Hi, Mark'"

"Sure."

I shook his hand and thanked him and went back to my seat.

About ten minutes later, my client showed up. We ordered a drink and started to talk business. A couple of minutes later, I felt a tap on my shoulder. It was Bill Gates.

"Hi, Mark" he said.

I replied, "Get lost, Gates, I'm in a meeting."
