The brain surgeon was about to perform a brain transplant.

"You have the choice of two brains," he told the patient. "For \$1000 you can have the brain of a Astronaut, or for \$10,000 you can have the brain of a Politician."

The patient was so much amazed at the huge difference in price.

"Is the brain of a politician that much better?"he asked.

The brain surgeon replied, "No, it's not better, just unused."

One sunny day, two men were sitting in a pub, drinking some whiskey when one turns to the other and says "You see that man over there? He looks just like me! I think I'm gonna go over there and talk to him."

So, he goes over to the man and taps him on the shoulder. "Excuse me sir" he starts, "but I noticed you look just like me!"

The second man turns around and says "Yeah, I noticed the same thing. Where you from?"

"I'm from Dublin" came the reply.

"Me too! What street do you live on?"

"McCarthy street"

The second man replies, "Me too! What number is it?"

"162" the first man replies.

"Me too! What are your parents names?"

"Connor and Shannon"

The second man, almost dumbfounded says, "Mine too! This is unbelievable!"

So, they buy some more Guinness and they're talking some more when the bartenders change shifts. The new bartender comes in and goes up to the other bartender and asks "What's new today?"

"Oh nothing much, the Murphy twins are drunk again though."

A local business was looking for office help.

They put a sign in the window, stating the following:

"HELP WANTED. Must be able to type, must be good with a computer and must be bilingual.  
We are an Equal Opportunity Employer."

A short time afterwards, a dog trotted up to the window, saw the sign and went inside.

He looked at the receptionist and wagged his tail, then walked over to the sign, looked at it and whined.

Getting the idea, the receptionist got the office manager.

The office manager looked at the dog and was surprised, to say the least.

However, the dog looked determined, so he lead him into the office.

Inside, the dog jumped up on the chair and stared at the manager.

The manager said,

"I can't hire you. The sign says you have to be able to type."

The dog jumped down, went to the typewriter and proceeded to type out a perfect letter.

He took out the page and trotted over to the manager and gave it to him, then jumped back on the chair.

The manager was stunned, but then told the dog,

"The sign says you have to be good with a computer."

The dog jumped down again and went to the computer.

The dog proceeded to demonstrate his expertise with various programs and produced a sample spreadsheet and database and presented them to the manager.

By this time the manager was totally dumbfounded! He looked at the dog and said,

"I realize that you are a very intelligent dog and have some interesting abilities.

However, I still can't give you the job."

The dog jumped down and went to a copy of the sign and put his paw on the sentence that told about being an Equal Opportunity Employer.

The manager said,

"Yes, but the sign also says that you have to be bilingual."

The dog looked at him straight in the face and said, "Meow."

A passenger in a taxi leaned over to ask the driver a question and tapped him on the shoulder. The driver screamed, lost control of the cab, nearly hit a bus, drove up over the curb, and stopped just inches from a large plate glass window.

For a few moments everything was silent in the cab, and then the still shaking driver said, "I'm sorry but you scared the daylights out of me."

The frightened passenger, apologized to the driver, and said he didn't realize a mere tap on the shoulder could frighten him so much.

The driver replied, "No, no, I'm sorry, it's entirely my fault. Today is my first day driving a cab.... I've been driving a hearse for the last 25 years."

---

A young investment banker goes out and buys the car of his dreams - a brand new Ferrari GTO. After paying \$500,000, he takes it out for a spin and stops at a red light. While waiting for the light to change, an frail looking old man on a yellow moped pulls up next to him. The old man

looks over at the Ferrari and asks, "What kind of car ya' got there, Sonny?"

The young man replies, "A Ferrari GTO. It cost half a million dollars!"

"Wheewee... that's a lot of money," says the old man as he tucks his thumbs up against his suspenders. "Why does it cost so much?"

"Because this car can do up to 320 miles an hour!" states the banker proudly.

The moped driver asks, "Mind if I take a look inside?"

"No problem," replies the proud new owner. So the old man pokes his head in the window and looks around at all the bells and whistles lining the dashboard. Sitting back on his moped, the old man whistles and says, "That's a pretty nice car, all right... but I'll stick with my moped!"

Just then the light changes, so the banker decides to show the old man just what his car can do. He floors it, and within 30 seconds, the speedometer reads 160 mph! Suddenly, he notices a yellow dot in his rear view mirror. It seems to be getting closer! He slows down to see what it could be, and suddenly... Whoooooosssshhhh! Something blows by him, going much faster!

"What in the hell could be going faster than my Ferrari?" the young man asks himself. He floors the accelerator and takes the Ferrari up to 250 mph. Then, up ahead of him, he sees that it's the old man on the moped! Amazed that the moped could pass his Ferrari, he gives it more gas and passes the moped at 275 mph. Whoooooosssshhhh!

He's feeling pretty good until he looks in his mirror and sees the old man gaining on him again! Dumbfounded, the banker floors the gas pedal and takes the Ferrari all the way up to 320 mph. Not ten seconds later, he sees the moped bearing down on him again!

The Ferrari red lines and there's nothing more he can do! Suddenly, the moped plows into the back of his Ferrari, demolishing the rear end. The young man stops and jumps out, and unbelievably, the old man is still alive. He runs up to the mangled old man and says, "Oh my God! Is there anything I can do for you?" The old man whispers with his dying breath... "Unhook... my... suspenders... from... your.... side view mirror."

A priest and pastor from the local parishes are standing by the side of the road holding up a sign that reads, "The End is Near! Turn yourself around now before it's too late!"

They planned to hold up the sign to each passing car.

"Leave us alone you religious nuts!" yelled the first driver as he sped by.

From around the curve they heard screeching tires and a big splash.

"Do you think," said one clergy to the other, "we should just put up a sign that says 'Bridge Out' instead?"

A woman goes to visit a fortune teller. In a dark and hazy room, peering into a crystal ball, the mystic delivered grave news.

"There's no easy way to say this, so I'll just be blunt: Prepare yourself to be a widow. Your husband will die a violent and horrible death this year."

Visibly shaken, the woman stares at the fortune teller's lined face, then at the single flickering candle, then down at her hands.

She took a few deep breaths to compose herself. She simply had to know. She met the fortune teller's gaze, steadied her voice, and asked her question.

"Will I be found guilty?"

When the end of the world comes, everybody on earth goes to heaven.

God comes and says, "I want the men to make two lines. One line for the men that dominated their women on earth and the other line for the men that were dominated by their women."

With that said and done, the next time God looked, there are two lines.

The line of the men that were dominated by their women was 100 miles long, and in the line of men that dominated their women, there was only one man.

God became angry and said, "You men should be ashamed of yourselves.

I created you in my image and you were all whipped by your mates.

Look at the only one of my sons that stood up and made me proud.

Learn from him! Tell them my son, how did you manage to be the only one in this line?"

And the man replied, "I don't know, my wife told me to stand here."

George W. Bush, in an airport lobby, noticed a man in a long flowing white robe with a long flowing white beard and flowing white hair. The man had a staff in one hand and some stone tablets under the other arm.

George W. approached the man and inquired, "Aren't you Moses."

The man ignored George W. and stared at the ceiling.

George W. positioned himself more directly in the man's view and asked again, "Aren't you Moses".

The man continued to peruse the ceiling.

George W. tugged at the man's sleeve and asked once again, "Aren't you Moses".

The man finally responded in an irritated voice, "Yes I am".

George W. asked him why he was so uppity and the man replied, "The last time a bush spoke to me I ended up spending forty years in the wilderness.
